

**Strategic Priorities
2014 - 2017**

Relationships

To leverage the strengths of ANDSOOHA and the OPHCNO Group to ensure alignment and influence in public health and the health system

Systems Level Impact

To seek opportunities to directly influence and impact on the health system

**Foster a Highly
Competent Workforce**

To develop and foster leadership and management capacity

**Enhance Membership
Engagement**

To develop effective mechanisms to support membership engagement
